## Medina Exhibit Attracts Throng

This is a picture of the Medina County exhibit at the Texas State exhibition. It is one of the most attractive county exhibits on display here.

### BACK FROM STATE FAIR

Mr. and Mrs. C. M. Merritt returned the first of the week from Austin where they had been attending the State Fair and exhibiting an agricultural exhibit from Medina County.

The people of this county will be pleased to learn that the exhibit took the blue-ribbon prize over all competitors. Mr. and Mrs. Merritt have been the recipients of many congratulations over their success with the exhibit.

The following excerpt, and the picture accompanying it, is taken from a lengthy write-up of the Fair in the Austin-American of October 4th:

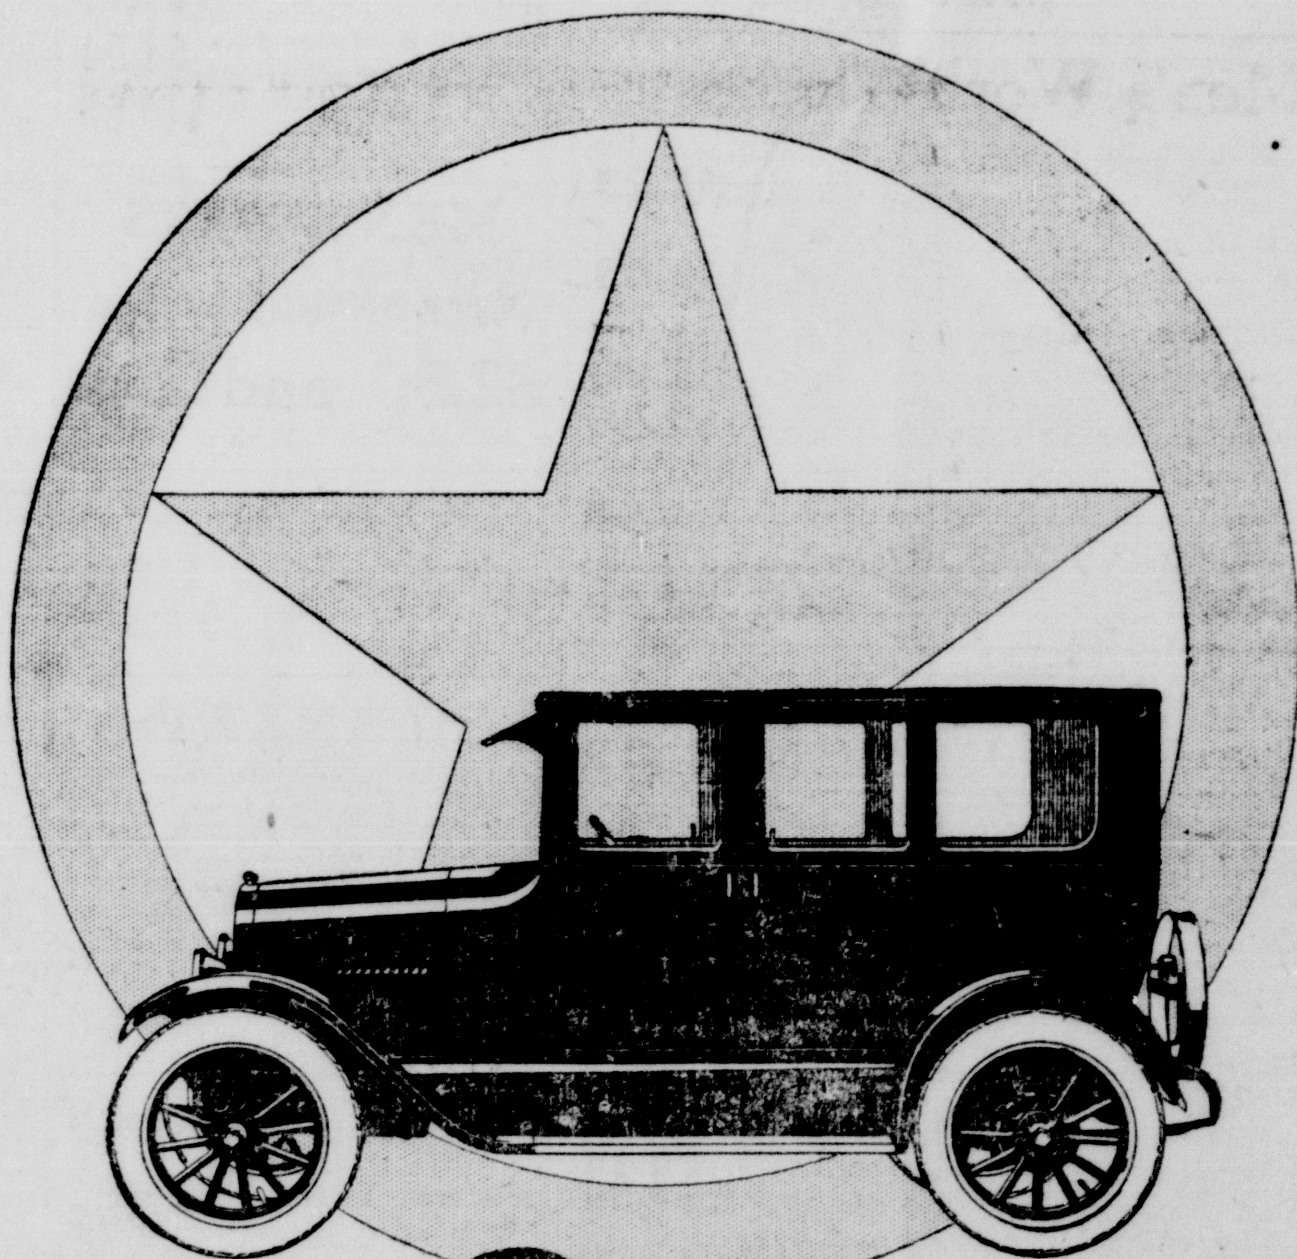

"Of all the displays in this section one of the most complete and artistically arranged, comes from Medina county. It is in charge of Mr. and Mrs. C. M. Merritt, the latter an old Travis county boy who is now county agricultural agent for Medina and secretary of the chamber of commerce at Hondo. Vegetables and fruits, together with grains and feed-stuffs, are symmetrically arranged with an eye to color combinations. There are wool, cotton, leather, canned products and preserves. Such perishable articles as milk, butter and eggs were left at home on account of non-refrigerating facilities at the exposition, but it is said that Medina county doesn't take a back seat in any of these commodities."

## THE STUDENT'S MISSION OF THE LUTHERAN CHURCH OF TEXAS.

The Lutheran church of Texas is engaged in a state-wide campaign in the interest of the Lutheran's Mission of Austin. Rev. F. G. Roesener of Austin, a prominent Minister of the Lutheran church of Texas, arrived here last Saturday and on the following Sunday delivered very forceful and instructive discourses in the Lutheran churches of Hondo and Quilhi, relative to this mission and the historical development of the Lutheran church in America. The reverend gentleman is a talented speaker and deeply impressed his hearers with the great scope and importance of this particular mission. Aside from this he showed by statistics that the Lutheran church is by far the greatest Protestant church in the world, having a total membership of 80,000-000 souls. Of all the important Lutheran missions in Texas this Student's Mission is just now beyond question the most important and doubtless will be the most effective in the years to come, offering a church or religious home to the many Lutheran students at the State University during the years they spend there preparing themselves for their life's work.

## Overland is Leading the World in Automobile Value.

## Overland the Main Thing on Main Street.

## Reasons Why You Should Buy a New 1924 Model Overland.

1. Overland Motor is Overland designed and completely Overland built. The Overland Bulldog Motor is guaranteed not to pump oil for one year. Motor Clutch and Transmission are a unit; all parts are completely enclosed and are thus protected from mud and dirt, the Clutch is of disk type, easy to operate and runs in a path of oil.

2. Overland rear axle shafts are 1 1-2 inches in diameter and are removable as on most expensive cars. Willys-Knight, Dodge, Studebaker, Chalmers and many other standard automobiles are using this type of axle. Drive and ring gears are of noiseless spiral bevel type; only timken and New Departure bearings are used on all Overland Automobiles. No other light Car in America can duplicate this feature.

3. The Overland is easy riding; it has the patented triplex spring, which no other Car uses, and a 130-inch spring base.

4. Overland owners are getting from 20 to 25 miles and better on a gallon of gasoline, and from 1,200 to 2,400 miles on a gallon of oil.

5. Overland Bodies are made entirely of steel, with baked enamel finish. That's the reason why Overland body finish looks like new long after the average light Car is a candidate for the paint shop. There are only four automobiles built that have all steel and real baked

enamel finish, and they are the Willis Sainte-Clair, Dodge, Studebaker and Overland.

6. Overland has removable upholstery, used only in higher priced automobiles.

7. Overland has four large doors which are adjustable with curtains that open with all four doors.

8. Overland comes equipped with 30 x 3 1-2 non-skid, oversize Tires on front and rear. Overland owners are getting from 7,000 to 12,000 miles on a set of factory equipped Tires.

9. Overland comes to you completely equipped, no extra's to buy; drum headlights with dimmer, dash and tail lights connected in series, tail light combined with license plate bracket, real one-man top with bow sockets and gypsy curtains that open with all doors, speedometer, ameter electric horn, spare tire carrier, extra rim, full set of tools, jack and pump.

Whether you are buying a Car or not, come and see the new 1924 model Overland and compare it at **\$495.00** F. O. B. Factory with any other Car selling near the Overland price.

I am here to tell you why the Overland is the greatest Automobile value in America. Drive an Overland and realize the difference. Buy a new model Overland and get twelve months free service.

A Cow can give milk to her fullest capacity only  
when fed the right proportion or balance of milk-  
making materials. Milk is made up of Protein,  
Carbohydrates, Fat, Minerals and Water, in pro-  
portions that, practically speaking,  
can't be varied. Instead of making  
imperfect milk, a poorly fed cow  
gives less milk.

## Feed Purina Cow Chow

and your cows will get all the  
Protein and Calcium needed to  
balance your Carbohydrate rough-  
ness.

All we ask is that you give Purina Cow  
Chow a trial and let your milk scales show  
you why you should keep on feeding it.

## Nervous Break-Down

MRS. ANNIE LANGE, of R. F. D. 1, Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous breakdown of some kind. I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the weak, trembling, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its

use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years. Ask for, and insist on, Cardui.

"A. A. A." CLUB.

One of the delightful hospitalities of the week was the meeting of the "A. A. A." Club on Sunday afternoon with Misses Josie and Lucy Rothe as hostesses. In the living room a decorative color scheme of green and gold was carried out with bouquets of cosmos and fern. An hour or so was whiled away in talking of college days and in writing a joint letter to Miss Anna Miller who is absent at the Santa Rosa Training School.

After a short business session during which Mrs. A. J. Finger was enrolled as a club member, a program consisting of piano and voice numbers, was rendered by Miss Lillian Brucks, Mrs. A. J. Finger and Mrs. W. O. Rothe.

The Misses Rothe regaled their guests with a tempting plate lunch, consisting of sandwiches, cake and hot chocolate. The following members were present: Mesdames F. S. Cockrell, A. J. Finger, W. O. Rothe; Misses Lillian Brucks, Josie and Lucy Rothe, Miss Dora Zinsmeyer was the only club guest.

The next meeting will be held on November 10th with Misses Lillian and Josephine Brucks as hostesses.

CARD OF THANKS.

Last Tuesday, October the ninth, this writer and his good wife were very happily reminded of the fact that they were really and truly celebrating their twenty-fifth wedding anniversary. However, the full consciousness of the fact did not clearly dawn upon them until they were ushered into the home of Mrs. J. A. Horger where at least fifty elect ladies of Hondo were assembled. By some shrewd manipulation this preacher was led to believe that he was about to attend the regular meeting of the Philathea Class; and he wondered, too, "why so many". But he did not have long to wonder, for he and his "better-half" were soon led to the dining room—not as sheep to the slaughter—but to be made the happy recipients of many beautiful and useful gifts; among the many, a most beautiful silver tea-set. To the elect "Forty Seven" whose names appear on the presentation cards we now wish to make our prettiest bow and say from hearts that are sincere, WE THANK YOU.

REV. AND MRS. A. M. FOSTER.

WHAT CAUSES GAS ON THE STOMACH?

It is caused by fermenting, sour waste matter in the intestines. This old, foul matter should be thoroughly cleaned out with simple buckthorn bark, glycerine, etc., as mixed in Adler-ika. This acts on BOTH upper and lower bowel, removing old accumulated matter you never thought was in your system. Adler-ika relieves ANY CASE gas on the stomach. EXCELLENT for sour stomach and chronic constipation. Guards against appendicitis. W. H. Windrow, Druggist.

# SOME SMILES

POLITE INDEED

A wealthy man had engaged a new coachman who was advised to be very polite if he wished to keep his place. Accordingly, when the master visited the stable this dialogue ensued: Master—Well, John, how are the horses?

Coachman—They are quite well, sir, thank you; and how are you?—Scotsman.

Not Registering Well.

"I thought those photographers were complimentary when they sent around to get motion pictures of me," said Senator Sorghum.

"Have you changed your mind?"

"Yes. When I saw myself on the screen I became convinced they had played a trick on me to spoil my popularity."

Mild Humor.

"How is the repartee at your boarding house?"

"Rather poor."

"Yes."

"Since our star boarder left most of the snappy replies have fallen to an elderly spinster who has been teaching the young idea to shoot for the last thirty years."

Reason for Faith.

Mrs. Maggs—I believe in profiteers." Mrs. Naggs—Oh, no Susan, you don't really.

"Oh, yes, I do! Last night Charlie wouldn't write me out a check for a new hat, so I laid my head on his shoulder and wept until the poor man sat down and wrote that check. Oh, I do believe in profit-tears!"

Knew That Before.

"Don't you know that the population of London is more dense than that of New York?" remarked the Englishman.

"Of course I do," replied the American. "I have often tried to make a Londoner see the point of a New York joke."

EXPANSION

"What an unusually large mouth he has."

"Yes, it reaches from ear to ear, and his ears appear to have been set back, in order to make room for it."

Under Conversational Cover.

Old Satan favors discontent. Our lofty plans to balk; He often starts an argument And works while others talk.

Bliss for the Motorist.

"In heaven the streets will be paved with gold."

"I don't care anything about the paying material," replied Mr. Chuggins, "if only they won't consider it necessary to put up a lot of "One-way" signs."

Deep Stuff.

Offended Lady—That shopkeeper insulted me. He said he kept everything in his shop I could think of.

Police—Well, where is the insult, ma'am?

Offended Lady—When I looked in his shop it was empty.

Good Taste.

"Any person of luxurious tastes would rather any day see a game of baseball in preference to one of football."

"Why of luxurious tastes?" "Isn't a diamond more of a luxury than a gridiron?"

Right Church but Wrong Pew. Movie Director (to applicant for position)—Can you swim, my dear?

Beauty—Certainly not! I'm applying for a position as a bathing beauty, not a fish.—Cartoons Magazine.

Would Split the Expense.

"Do you think you can support my daughter in the style to which she has been accustomed?"

"I don't know, sir, but I can certainly save you 50 per cent of her present cost to you."

The Remedy.

Jack Brokely—I told your father I loved you more than any girl I ever met.

She—And what did papa say? Jack—He advised me to try and meet some more girls.

Watchful Waiting.

Little Pat was invited to a party. His host saw he was not paying attention to his plate and asked the reason why.

"Oh," said Little Pat, "I am waiting for the mustard to cool."

# The BROWN MOUSE

by Herbert Quick

The Author

WHEN Herbert Quick writes a story it is the time for one to sit up and take notice; for he is one of the most satile and entertaining geniuses in this country. Farmer, master, lawyer, editor, public servant, social worker and now has had a great round of experiences and has worked many of his stories. Born in Grundy county, Iowa, he has been mayor of Sioux City, nominee for supreme judge, editor of Farm and Home member of the Federal Farm Loan bureau and several other commissions, and during the war, had the rank of colonel upon him by the Red Cross.

In "The Brown Mouse," Mr. Quick has taken his inspiration the Scotch scientist who crossed Japanese waltzing mice with common white breed and among other hybrids got a brown mouse that was different from anything else in the world. Unlike its dedicated parents, it was wild; it ran away, bit, gnawed, scratched, raised hob generally.

Jim Irwin, the hero of the tale, is a brown mouse. His father was a waltzing mouse, no good except to jump from one to another for no valid reason. His mother was a white mouse, having had all her color washed out in one way or another. Like brown mouse which refuses to act according to the rules of the Jim had ideas of his own and did many surprising things. He completely woke up a sleepy farming community and showed it what touch of genius can do.

CELEBRATED ARTIST  
SAYS HIS OVERLAND  
IS INDISPENSABLE.

Painter of Scenic Glories  
Declares Car Useful  
as Easel.

Gunner Widforss, the artist, who  
has been selected by the National  
Park Service to paint the wonders of  
Zion National Park, is a constant user  
of an Overland roadster in connection  
with his work.

Mr. Widforss has been painting in  
Yosemite National Park for the last  
two years. His water colors have at-  
tracted international attention, two  
of them having been chosen by one  
of the country's best known maga-  
zines for cover designs in a series of  
notable American landscapes and  
others having been exhibited in the  
leading galleries.

In 1912 Mr. Widforss was repre-  
sented by two pictures in Paris Salon,  
the highest honor that can come to an  
artist. Recently he was commissioned  
by Director Mather of the National  
Park Service to go to Utah and paint  
some of the more famous scenes in  
the Zion National Park.

Mr. Widforss declares that his  
Overland has been indispensable in  
his work. Frequently the scene chosen  
for preservation by his brush is  
miles from Yosemite lodge, where he  
lives; nevertheless, he must be there  
just at the moment when the light is  
right for the treatment he desires to  
give the painting. Either early or  
late he must be on the job. With an  
Overland at his command, Mr. Wid-  
forss can cover the mountain roads  
quickly.

BARN BURNS.

People were aroused by a fire a-  
farm about midnight Saturday night,  
but before many could reach the  
scene it was too late to control the  
flames.  
The two-story barn on the I. H.  
King farm, half a mile north of  
town, caught fire from some un-  
known cause, in the upper story and  
the building and its contents, a quan-  
tity of feed, was entirely destroyed.  
The loss is estimated at between  
\$1,500 and \$2,000 and was only par-  
tially covered by insurance.  
APPECIATION.

I hereby desire to sincerely thank  
all my friends who did such heroic  
work in an effort to save my barn and  
contents that was destroyed by fire  
on the night of the 6th instant.

**REXALL**  
**ONE 1c SALE**  
Next Thursday, Friday and Saturday

What is a One-Cent Sale? It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Arbutus Complexion Cream is 50c. You buy a jar at this price and by paying 1c more, or 51c, you get two jars. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices and have sold you for years.

A New Way of Advertising This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full-size package of high standard merchandise for 1c. It costs money to get customers. The loss taken on this sale will be well spent if the goods please you.

## Feeling Better Now Every Day

"My Improvement Began Right After  
Taking Stella Vitae", Says  
Waco Woman.

"I wish I could tell every woman in Texas what a wonderful tonic Stella Vitae is", said Mrs. Willie D. Brown, 308 Archie St., Waco, Texas.

"My head ached something awful, pains in my back and around my stomach nearly killed me, my legs hurt and would swell like I had the dropsy. I had no appetite, what little I did eat soured and caused gas and great distress in my stomach. I was terribly nervous and could hardly sleep at all when I went to bed.

"Stella Vitae helped me right from the start and I am feeling better every day I live. I haven't been taking it long enough to get the full effects yet, but if I keep on improving like I am now it won't be long before I will be as strong and well as I ever was".

Stella Vitae may be obtained from W. H. Windrow and the purchase price will be refunded if it fails to bring relief.

## ARE YOU RUN DOWN?

Awaken to the Danger and Aid the  
Weakened Kidneys.

Kidney sickness often runs you down to the verge of collapse before you know the cause. When you seem unable to pin your mind to any task, your back aches and you cannot do an ordinary day's work, it is time to ask yourself this question: "Are my kidneys working right?" The answer may be easily found.

Weak kidneys slacken their filtering work and the uric acid circulates with the blood, in many cases, attacking brain, nerves, muscles and vital organs. Don't wait for the serious trouble—begin using Doan's Kidney Pills when you feel the first backache or first notice urinary disorders. This remedy has given new life and strength to thousands.

Proof of merit in a Hondo citizen's statement.

W. A. Mask says: "I found Doan's Kidney Pills an A-1 remedy for kidney trouble. My back was sore and my kidneys acted irregularly. I felt tired, worn out and had no ambition to do anything. I had a dull pain in my kidneys day and night. I heard of Doan's Kidney Pills and tried them. One box of Doan's cured my back and I have had no trouble with my kidneys since".

## No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 75c per bottle

The Quinine That Does Not Affect the Head

## KIRSCHBAUM CLOTHES IN THE NEW FALL AND WINTER DESIGNS

From the very first touch of the designer's chalk to the very last touch of the presser's iron—the guiding thought in the making of Kirschbaum Clothes for young men is style. Style, yes, and with it, quality and value!

All-Wool—  
100 Percent And  
No Compromise

This Fall—as always—the famous Kirschbaum standard of all-wool is rigidly upheld. Before a fabric is passed as suitable for use in a Kirschbaum garment, it is tested scientifically for its all-wool purity, its color fastness, its wearing strength.
